

## NEW PRODUCTS June 2018

### **PCL** MK4 TYRE INFLATOR

The new AIRFORCE® MK4 Tyre Inflator is as robust as ever and highly accurate, offering leading inflation and deflation rates and high performance for both indoor and outdoor applications. Meanwhile the redesigned piston and seal arrangement means increased accuracy - cycle tests now give over 400,000 inflation cycles at 100% accuracy - over 50% more than previously!

By increasing the size of the viewing window to give a 20% larger field of view, and altering the graphic print to give a clearer scale reading the new gauge is even more user friendly.

With a new, modern slim line body design the gauge is now lighter yet more ergonomic to give increased comfort in use.

### **PCL** SINGLE BARREL FOOT PUMP

PCL's single foot pump is gauge calibrated model with an easy to read dial gauge.

The all steel construction provides added strength and the barrel is pressure sealed to prevent leakage. It has a sturdy anti-slip pedal and rubber feet and is supplied with adaptors for air beds, bicycle valves and footballs.

- Steel construction for added strength
- Anti corrosive finish
- Barrel pressure sealed to prevent leakage
- Gauge calibrated 0-100 psi and 0-7 bar

### **PCL** 4 in 1 TYRE VALVE TOOL

This versatile 4-in-1 tool offers these functions:

1. Rethread the external part of the valve stem
2. Rethread the inside of the valve stem
3. Remove the valve core
4. Extract a damaged valve core

- Manufactured from case-hardened mild steel
- Zinc-plated finish
